

Big Changes Coming for The First National Bank of Ely!

The First National Bank of Ely moved to our current location, 595 Aultman Street, on October 1st 1956. Over that last 67 years minor updates and upgrades have taken place. For the last couple years we have been working diligently towards a complete remodel. We are happy to share some exciting news – construction begins February 27th, 2023!

Here's what you need to know:

- We will be *temporarily* relocating to 178 N. Avenue F Extension, Ely NV 89301. This is the prior DMV office space across the highway (US 93) from the VFW and is located next to the current Steptoe Veterinary Clinic. You can find this location using google maps (<https://maps.google.com>) and entering 178 Avenue F, Ely, NV in the search bar.
 - We will be moving to this location beginning February 27th and returning to 595 Aultman Street in the Fall of 2023. An official return date will be announced closer to completion.
- We will maintain normal operating hours during construction. Lobby Monday-Thursday 10a.m. to 3p.m., Friday 10a.m. to 5p.m. Drive-up Monday-Thursday 9:30a.m. to 4:30p.m., Friday 9:30 a.m. to 5:00p.m.
- You may continue to call us at our current phone number – 775.289.4441
- We will not have a night drop option available during construction.
- We will not have an official drive-up window available, however, we are happy to come out and assist you. Please give us a call when you would like drive-up service.
- Please continue to use 595 Aultman Street, Ely NV 89301 as our mailing address during construction.
- We will be ready to service all your banking needs while at our temporary location. However, as a precaution we will be keeping limited cash on hand. If you need a sizeable amount of cash (\$10,000 or above) please call us as soon as possible so we can order/prepare for your cash requirements.
- During this time, please call us to schedule an appointment to visit your safe deposit box which will still be maintained at 595 Aultman Street in our existing vault. An important note, your box will not be moved during construction.
 - Due to the age of the building a minimal amount of asbestos abatement will be required. During this time staff and customers will not be allowed in the building for personal safety reasons. The abatement is currently scheduled for February 28th – March 8th. If you need access to your safe deposit box please plan ahead for this week.

While we work through construction we will continue to provide regular updates via e-mail and on our website – fnbely.com. If you would like to receive updates via e-mail please call us to ensure we have your current e-mail address. Additionally, you are always welcome to contact us by phone or at info@fnbely.com for updates/information.

This is a big and exciting undertaking for all of us here at The First National Bank of Ely. We are striving to address every possible question and concern but also ask for patience while we work towards a new and efficient building.

Thank you in advance for your understanding and support!
